## Internet Resource Sites

**Disability Info:** <https://disabilityinfo.org/>

This free, online resource helps people with disabilities find the information they need.

INDEX's mission is to improve the lives of people with disabilities and those that serve them by providing information and referral; technical assistance; training; online education; and technology services. INDEX is a project of the Eunice Kennedy Shriver Center at the University of Massachusetts Medical School.

**Exceptional Lives:** <http://exceptionallives.org>

This website provides free, online Guides and a searchable Disability Resource Directory.
