

Springboard Group AAA

May 2011

Group Leader: Stacy Pyron* stacypyron@gmail.com 617-791-0940

*This is just temporary, as Leigh is getting married this month! She'll be back in June. For May, I'm glad to have you with our group! We will have one group activity that is just for Group AAA and one that is with Group F and one that is All-Springboard.

Tuesday, May 10, 5:30-7:30 pm

Dinner at Wagamama

Red line to Harvard Square

We will meet inside Harvard Station by the Dunkin Donuts and walk to Wagamama together. We went here with Group F last month and had a really nice time. Not sure what Wagamama is or want to know what kind of food is on the menu? Take a look here: <http://wagamama.us/> Springboard will cover tax and tip, please bring enough money to cover the cost of your meal.

Please RSVP by Friday, May 6.

Your copay will depend on what and how much you eat.

Tuesday, May 17, 6:00-8:00pm

Bowling at Lanes and Games

Red line to Alewife

We will meet Group F inside Alewife Station by the Dunkin Donuts and walk to Lanes and Games together (the walk is less than 10 minutes each way). Once there, we will bowl a game of candlepin (you can also play arcade games if you like). There will be food available if you want to order something to eat, but your copay will only cover the cost of bowling one game and shoe rental. If you would like to eat dinner, please bring extra money.

Please RSVP by Tuesday, May 10 if you are planning to attend so I can reserve lanes.

Your copay for this event is \$5, plus whatever food you order.

All Springboard Event for May:

Bingo!

We do not yet have the details worked out for bingo, but I wanted to get this part of the schedule out to you as I'm a little late already! We are having a staff meeting this week on Wednesday, so I should be able to give you some more details at the end of the week.

Please RSVP to me for events! Email is preferred but if you do not use email, you may feel free to call my cell phone, but please not during business hours (M-F, 8:00-4:30). Thanks!
