Outdoor Movie @ The Prudential Center – South Garden

Date & Time: Thursday, September 29th from 5:45 PM – 8:30 PM (approximate end time)
Event Location: Prudential Center Boston – South Garden
Meeting Location: Inside the Prudential Mall @ Barnes & Noble Entrance

We're going to watch a movie under the Boston stars! At the Prudential Center Mall, during the summer and fall, the best place to watch a movie is in the South Garden. The garden contains a large well-maintained lawn, cafe-style outdoor seating, sculptures, water fountain, and a small stage in one corner for the movie. The movie hasn't been announced yet, but they show Family-friendly movies, a unique opportunity for a cool evening in the city. As the date gets closer, I will let you all know once the movie title is announced or you can check out: <http://www.celebrateboston.com/events/prudential-concerts.htm> Be sure to grab a small blanket/towel and pack some snacks! We will meet at the entrance to Barnes and Noble inside the mall and then go find somewhere to sit.

Note: Even if it rains or if the movie is horrible, we will still meeting in the same location at 5:45 PM. There are plenty of things to do in the area. Regardless, we'll have a blast!
