

Springboard Group F Attendance Contract

Hi all,

Not knowing who is attending events makes it very difficult for me to plan! Showing up late for events is not fair to myself or to other members who show up on time!

Therefore, I have developed a new attendance contract, which you will find below. Please read it very carefully and let me know if you have any questions.

Events-General

- You'll notice on the schedule that there will now be an RSVP date by each event. Please respond by this date so I can plan accordingly.
- If you do not respond and just show up, Springboard will not be able to pay for you to attend the event. This means that you will be responsible for the full amount of the event, not just the co-pay.
- If you say you can come and at the last minute your plans change, no problem! Just let me know and we can work it out.
- *The important thing in all situations is that I know what's going on!*

Arrival time

- Sometimes, things happen that are beyond your control that keep you from arriving to events on time. If I know you are coming, we will gladly wait for you! (That's why it's important to RSVP) If possible, call my cell phone and let me know you are going to be late. If we can wait, we will!

However...

Please make every effort to arrive to group activities on time. There are some cases (if we have reservations, etc) where we might not be able to wait for you if you are late so the best thing to do is to try to **be on time every time.** 😊

Enclosed are two copies of this contract. Please sign both, indicating that you understand the above attendance contract and return one of them to me in the envelope provided. You may keep the other copy for yourself.
