Dinner and a walk in Faneuil Hall

Green or Blue line to Government Center

We will meet at the Government Center T-Stop (Green or Blue Line) and walk over to Faneuil Hall together. We'll grab a quick dinner at the Quincy Market food court and then we will head over to the North End for dessert at one of Boston's famous pastry shops. Springboard will cover the first \$5 of your dinner, you will be responsible for anything over that and for your dessert.

Please RSVP by Sunday, May 8 so I know how much money to bring!

Your copay is whatever you have to eat that is over \$5.

Tuesday, May 17, 6:00-8:00pm

Bowling at Lanes and Games

Red line to Alewife

We will meet Group AAA inside Alewife Station by the Dunkin Donuts and walk to Lanes and Games together (the walk is less than 10 minutes each way). Once there, we will bowl a game of candlepin (you can also play arcade games if you like). There will be food available if you want to order something to eat, but your copay will only cover the cost of bowling one game and shoe rental. If you would like to eat dinner, please bring extra money.

Please RSVP by Tuesday, May 10 if you are planning to attend so I can reserve lanes.

Your copay for this event is \$5, plus whatever food you order.

Bingo!

We do not yet have the details worked out for bingo, but I wanted to get this part of the schedule out to you as I'm a little late already! We are having a staff meeting this week on Wednesday, so I should be able to give you some more details at the end of the week.
