## What's New at TILL?

### TILL Employee Anniversaries 2014 - Celebrating Dedication

We are proud of attracting and retaining talented employees to provide consistent quality services. On August 27, 2014, we recognized the dedication and experience of 105 employees celebrating milestones of 5 to 35 years of service with TILL. Forty two employees attended the breakfast celebration at the Marriott in Burlington.

### Mixing It Up

TILL connected with the German band "The Mix" during their North American tour in September. The name comes from the band's mix of people with all abilities. The integrative, inclusive band from Braunschweig, Germany is an initiative of Evangelische Stiftung Neuerkerode, an agency with which TILL found much in common! The Mix visited TILL's Dedham office before touring ETC Café and Gift Shop in Hyde Park.

### TILL at Three Boys Farm Open House

On October 15, 2014, TILL at Three Boys Farm in Stow hosted an Open House for Educators and Service Providers to explore our newest day program opportunity for adults. It was a perfect day to enjoy the colors of fall and tour this innovative farmstead program. The Farmers in Training from TILL Central Watertown demonstrated just a few of the many skills they have aquired while guests sampled Farmer Frank's delicious squash and bean soups and componata.
