

NOW HIRING!

PART-TIME SUPPORT STAFF

TRASE ALL ABOUT US!

TRASE: TILL's Recreational After-School Experience is designed for students with learning differences ages 14-22 to make friends and engage in new experiences in a fun, supportive, encouraging environment. After-School Program activities are geared toward developing interests, new skills, and self-confidence. Participants are students in special education classes in Boston and area schools, referred through DDS. TRASE is open on days in which school is in session.
